

# CCGCD Drought Restrictions

Year Round Best Management Practices	Stage 1	Stage 2	Stage 3	Drought Emergency	as it applies to:													
No reduction in permitted use	10% reduction in permitted use or as specified in operating permit	20% reduction in permitted use or as specified in operating permit	30% reduction in permitted use or as specified in operating permit	40% reduction in permitted use or as specified in operating permit	Permitted users (non-exempt wells requiring an operating permit)													
<p>(1) No sprinkler shall be operated between the hours of 10:00 A.M. and 8:00 P.M. Automatic sprinklers shall be equipped with rain sensors.</p> <p>(2) All ornamental fountains and water features shall be closed loop re-circulating systems.</p> <p>(3) All leaks shall be repaired immediately (some corrective action taken within 24 hours of notification)</p> <p>(4) Leak proof troughs should be used to provide water for livestock. Water troughs or any water receptacles with mechanical float controls shall be routinely inspected and properly maintained to prevent leaks and waste of water.</p> <p>(5) Foundation watering shall be accomplished by a drip system or a hand-held hose and may be done any day before 10:00 A.M.</p> <p>(6) A positive shutoff valve shall be used when washing vehicles or equipment.</p> <p>(7) When not in active use swimming pools should have at least 80% of some form of surface cover to limit the evaporation of water.</p> <p>(8) The District encourages the use of reclaimed, recycled, or re-use water for construction activities.</p> <p>(9) Groundwater may be added to pools to replace water lost due to use or evaporation.</p>	<p>Lawn and turf grass watering by hose-end sprinklers, automatic sprinklers, soaker hoses, or drip irrigation is allowed before 10:00 A.M. and after 8:00 P.M. No sprinklers or sprinkler systems are allowed between the hours of 10:00 A.M. and 8:00 P.M. Hand held hoses allowed at any time.</p>	<p>Lawn and turf grass watering by hose-end sprinklers, automatic sprinklers, soaker hoses, or drip irrigation is allowed one day a week based on the District's watering schedule. Sprinklers are allowed on the watering day before 10:00 A.M. and after 8:00 P.M. No sprinklers or sprinkler systems are allowed between the hours of 10:00 A.M. and 8:00 P.M. Hand-held hoses allowed at any time.</p>	<p>Lawn and turf grass watering by hose-end sprinklers, automatic sprinklers, soaker hoses, or drip irrigation is not allowed. Lawn and turf grass watering must be accomplished by hand-held hose on designated watering days before 10:00 A.M. and after 8:00 P.M.</p>	<p>No lawn or turf grass watering is allowed with groundwater at any time by any means.</p>	Lawns/turf grass													
	Hand held hoses allowed at any time.	Hand-held hoses allowed at any time.	Hand-held hoses or hand-held buckets are allowed any day before 10:00 A.M. and after 8:00 P.M. for landscape other than lawns and turf grass.	Hand-held hoses or hand-held buckets are allowed any day before 10:00 A.M. and after 8:00 P.M. for landscape other than lawns and turf grass.	Landscape other than lawns and turf grasses													
	Home vegetable and fruit gardens may be watered at any time with a drip system, hand-held hose or hand held buckets. Sprinklers are allowed only before 10:00 A.M. or after 8:00 P.M.	Home vegetable and fruit gardens may be watered at any time with a drip system, hand-held hose or hand held buckets. Sprinklers are allowed only before 10:00 A.M. or after 8:00 P.M.
