Groundwater: Planning for the future

At the request of the HTGCD Board of Directors and in response to many public comments, the HTGCD and Hill Country Alliance has developed an informational event to de-mystify the GMA/DFC Joint planning process for stakeholders. Stakeholders should be involved -- and knowledgeable about what the GMA can and cannot do.

- Natalie Ballew (TWDB) will give a ½ hour clinic on the process, authority and limitations of the GMA.
- She will moderate a discussion between GMA-9 Chair Ron Fieseler, Mike Gershon of Lloyd Gosselink, an economist from Texas Water Trade, and Sarah Schlessinger from the Texas Water Foundation on the importance and limitations of the process.
- The last part of the event will be a public Q&A.
