Physical Address: 9 Toepperwein Road, Boerne, Texas 78006

Mailing Address: P.O. Box 1557, Boerne, Texas 78006

(830) 816-2504 Fax (830) 816-2607

Application for an Operating Permit for a New Permitted Low Production Well *Domestic & Livestock* Tier 3

An application for an operating permit shall be submitted on this form and shall be signed and sworn to by the well owner as required by Texas Water Code Section 36.113(b). The operating permit application must be granted by the District prior to the proposed production of water in accordance with the provisions of District Rules.

A. Well Owner Information (Any person who has the right to produce groundwater from the land, either by ownership, contract, lease, easement, or any other estate in the land.)

Mailing Address:

Name

Street

City

State

Zip Code

Daytime Phone Number:

Alternate number:

Email Address:

fax:

If the applicant is not the owner of the property, documentation establishing the applicable authority to construct and operate a well on the owner's property for the proposed use shall be provided with this application.

B. Well Location/Information

Well Number or Reference:

Well Location Address:

Gate Combo:

Legal description of the well location:

Proposed well site coordinates **Lat:**

Long:

Anticipated start date of the well construction:

Total contiguous acreage:

Proposed conditions

Casing Size: _____ Estimated Well Depth: _____

Pump Size: _____ Target aquifer: _____

Estimated rate water will be withdrawn from the well (gpm): _____

Requested maximum production capability (gpm): _____

Quantity of water to be produced by this well annually: _____

Will the water be exported out of the District (Kendall County)? Yes or No

C. PURPOSE OF WELL

For what purpose will the water well be used ?

D. Water Well Driller & Pump Installer Information

Company contracted to drill the water well:

Phone Number: _____ TDLR License Number: _____

Company contracted to install the pump:

(If different than the water well driller)

Phone Number: _____ TDLR License Number: _____

E. Well Spacing

Attach a copy of a location map or property survey drawn on a scale that adequately details the well site, the property lines, the location of existing wells on the subject tract, the location of the existing use(s), the limits of any designated FEMA flood hazards, the location of any existing or proposed on-site wastewater system, the location of any other potential source of contamination within 150 feet of the existing wells or new well, the location of the proposed production monitoring device(s),

Please provide the distance in feet from the water well to the following:

Closest property line: _____ Closest existing well: _____

Nearest on-site sewage facilities: _____

Concentrated Sources of Potential Contamination, such as livestock or poultry facilities: _____

Is the proposed well located within 50 feet of or within the service area of a retail public water utility or public water system? Yes or No

If you answered "yes," attach a document from the retail public water utility or public water supply system stating that it is unable or unwilling to provide service, or does not object to the well.

Will water from this well be transported out of the District for use? Yes or No

F. Additional required documentation to be attached to application

The following items must be submitted with the application:

- ☐ A water conservation plan or an acknowledgement that the permittee will follow the District's adopted Year-Round Best Management Practices _____(initial here if you agree to follow the District's Best Management Policies, District Rule 11.3.A.).
- ☐ A drought contingency plan or an acknowledgement that the permittee will follow the District's adopted Drought Management Rules _____(initial here if you agree to follow the District's Drought Management Rules).

G. Application Fee

New Permitted Low Production Wells attach the \$500 (five hundred dollars) application fee per well.

H. Signature

By signing this form, I declare that the information provided in this form is true and correct, to the best of my knowledge and belief. Furthermore, I am familiar with all pertinent requirements contained in the Cow Creek Groundwater Conservation District Rules. I agree to allow District representatives to enter the well site property to inspect during drilling and upon well completion. I agree and acknowledge that if the information I have provided changes in the future, it is my responsibility and the responsibility of the well owner to provide the new information to the District. I understand that a change in this information may result in additional fees and requirements. I agree to abide by the terms of the Cow Creek Groundwater Conservation District Rules, the District Management Plan, and orders of the Board of Directors. I agree to report to the District. I agree that I have the legal authority to produce the groundwater associated with the land surface and that this permit may be amended or revoked, based on the legal transfer of the associated groundwater rights or right to produce groundwater to another person/entity. I agree that the permit may be amended in the future due to enforcement of the adopted desired future conditions of the aquifer and the District's rules. I understand that failure to abide by the terms of this permit will result in civil penalties and/or revocation of this permit.

AFFIDAVIT OF LEGAL RIGHT TO PRODUCE GROUNDWATER

BEFORE ME, the undersigned authority, on this day personally appeared

_____, who being duly sworn on his oath, says and deposes as follows:

"My name is _____. I am of sound mind, over eighteen (18) years of age, and have never been convicted of a felony or of a crime involving moral turpitude. My address is:

_____, _____, _____.

I have personal knowledge of the facts stated herein, and they are true and correct.

1. I am submitting to the Cow Creek Groundwater Conservation District ("District") an application for a drilling and/or operating permit for water well located at _____.
2. I have the legal authority to produce the groundwater associated with the land surface and the permit application for the well listed in #1 above.
3. **Exhibit A** is the map that identifies the water rights to be legally controlled by the applicant for the well listed in #1 above.
4. I have provided to the District any and all documents that evidence my right to own, control, or produce the groundwater rights associated with the permit application for the well listed in #1 above).
5. I have provided to the District any and all documents that transfers that right to own, control, or produce the groundwater rights to another person/entity that are associated with the land surface and the permit application. And I understand that I am required to provide such transfer documents as they occur in the future.
6. I understand that a permit may be amended or revoked if the groundwater rights or right to produce, related to a permit are legally transferred to another person/entity.

FURTHER AFFIANT SAYETH NOT."

SWORN AND SUBSCRIBED to before me on this the ____ day of _____, 20__.
